

FUTURE OF WEB DESIGN

LONDON 17TH - 19TH MAY 2009

Future of Web Design London has changed! 2010 sees the move to a new venue in the heart of the City of London, two days of conference, each with two tracks and one day of intimate workshops allowing attendees to gain a deeper understanding of the topic.

SPEAKERS: CEDERHOLM, HOLZSCHLAG, STOCKS, DAWES, PARMENTER, RUBIN, LAWSON, SHARP & MORE...

The Best of the Best - The biggest names in web design, presenting over 2 days of packed conference schedule

Bigger Than ever Before - Future of Web Design London is now a two day two track conference. In total there's 400% more content than in 2009.

Covering the Important Subjects - We cover the topics that matter most to today's web designers and front end developers including HTML5, CSS3, jQuery and UX

Free Web Designers Toolkit (worth \$95) - Every attendee will receive a free copy of our latest toolkit packed full of video tutorials, hints and tips, code samples, templates and a video library of previous Future of Web Design sessions.

Additional Learning Opportunities - As well as two tracks of great content our there will be an extensive program of extra University sessions running throughout the lunch breaks

Relive the Conference - Slides, audio and video (fully transcribed) will be made available after the event allowing colleagues to benefit too.

Intimate Workshops - Full day (9-5) workshops are also available allowing attendees to delve deeper into the topic. Numbers are capped at 40 per session.

Amazing Networking Opportunities - With over 600+ like minded designers descending on London for the event it's a great opportunity to meet new friends and forge professional contacts

TOPICS: CSS3, HTML5, JQUERY, BUSINESS, IPHONE, UX, PROTOTYPING, USABILITY, ICON DESIGN, ACCESSIBILITY & MORE...
