

FUTURE OF WEB DESIGN LONDON

MAY 16th - 18th MAY 2011

After the huge success of 2010's new format, we're bringing our new-look show back to London: two days of conference sessions, each with two tracks to choose from, and a day of intimate workshops, allowing attendees to gain a deeper understanding of their chosen topic.

SPEAKERS: BOAG, BALKAN, WALTERS, KUS, JAY-STOCKS, HOLZSCHLAG, MARCOTTE & MORE...

The Biggest Stars in Web Design - The best names in the industry, presenting over 2 days of jam-packed conference schedule.

Bigger Than Ever Before - Future of Web Design London is now a two day, two track conference, meaning loads more choice for our attendees, and around 400% more content than in 2009.

Covering the Most Important Subjects - We cover the topics that matter most to today's web designers and front end developers, including HTML5, CSS3, typography and UX.

Design Clinics & Added Learning Opportunities - As well as two tracks of great content, there will be a program of extra lunchtime sessions and expert-led Design Clinics running throughout the afternoon breaks, giving you a chance to talk to our speakers and ask your questions one on one!

We Love Our Attendees - It's the passion you hold that makes our events what they are, so we put everything we have into making The Future of Web Design as valuable to you as possible.

Relive the Conference - Online videos of all sessions, with integrated slides and audio will be made available to all attendees after the event, allowing colleagues to benefit too.

Intimate Workshops - Full day (9am - 5pm) workshops are also available to attendees wishing to delve deeper into specially chosen hot topics. Numbers are capped at 40 per session, ensuring a great learning environment.

Great Chances for Networking - With over 500 like-minded designers descending on London for the event, and both structured and informal networkings sessions provided, it's a brilliant opportunity to meet new friends and forge professional contacts.

Keep Focused - There's a lot to take on board and we don't want you to lose concentration, so we lay on free catering, with great food and drink available to keep you on the ball!

Get Inspired - We're proud to have received some great feedback from past attendees, who report returning to work feeling energized and inspired - it's what FOWD is all about!

TOPICS: HTML5, CSS3, BUSINESS, IPHONE, UX, USABILITY, ACCESSIBILITY, WIREFRAMING & MORE...
